Dear Javaid Sāhib,

For Pakistan Kidney Center Abbottabad we are placing the Purchase order for 5 HD machines [model: 4008S Next Generation with Online Clearance Monitor, Endotoxin filter, and Blood Pressure Monitor]. The agreed unit price is US\$ 12,000, or 1.2 million PKR. for additional 5 machines. We might place the order in coming weeks.

Please issue the invoice or reference number so we or our donors can transfer the money to company account.

We need to install the machines in February 2015 at Pakistan Kidney Center, Abbottabad.

Regards,

Dr. Khalil Ur Rehman
